MONARCH

ABRAHAM LINCOLN HIGH SCHOOL
555 DANA AVENUE
SAN JOSE, CALIFORNIA

Peace is the hope of the world today. Because of its importance to this world, this country, and this community, the Monarch Staff of 1960 dedicates this book to peace!

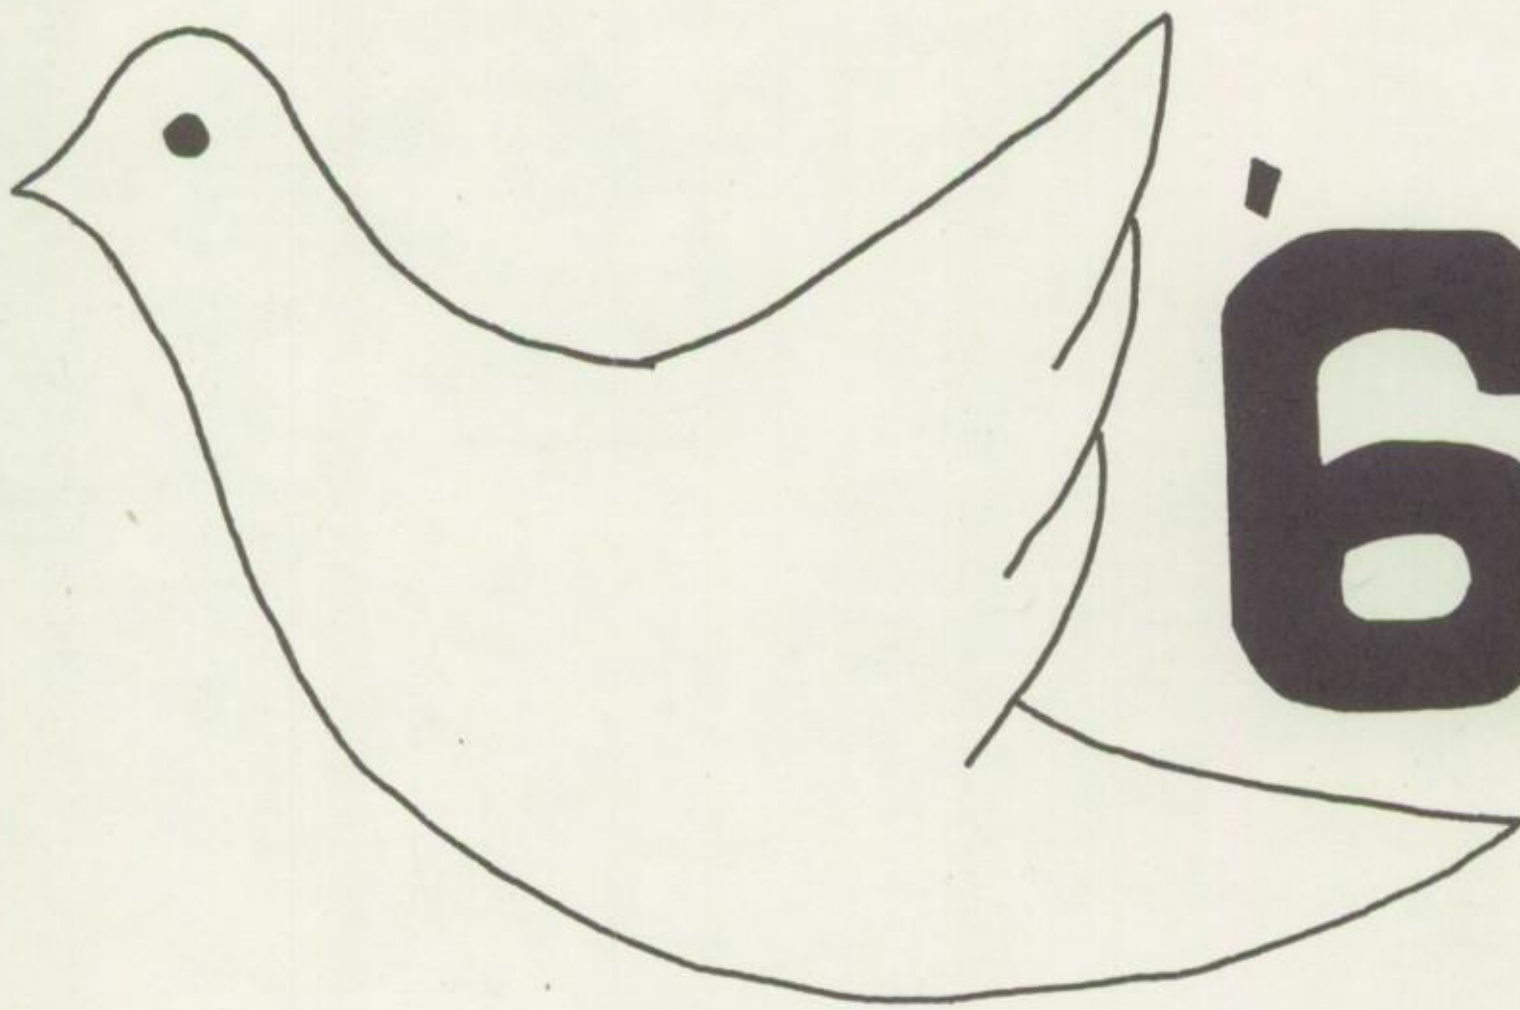

Although we students of Abraham Lincoln High School may seem only a mere speck when considered in relationship with nations and whole continents, we are important. Just as a pebble creates a ripple when thrown into a pool, each of us creates a ripple. It is hoped these ripples will build into a wave for peace.

This rippling occurs here, and begins with us. It is at Lincoln that we learn the basics that will lead to peace. Schools like ours are the backbone of our country.

In this book, we the staff would like to show you how Abraham Lincoln enables us to start the ripples. Eventually this will furnish us the raw materials for PEACE!!

SENATE

This year Lincoln's foreign exchange student is Rosanna Fiorentino of Italy. This is a picture of Rosanna in her native costume.

A.F.S.

Rosanna traded her native costume for a pom pom outfit when she was elected a Spring spirit leader. Rosanna said a few words to officially start the basketball game.

It seemed like the whole school turned out to support the A. F. S. by attending their fund raising basketball game.

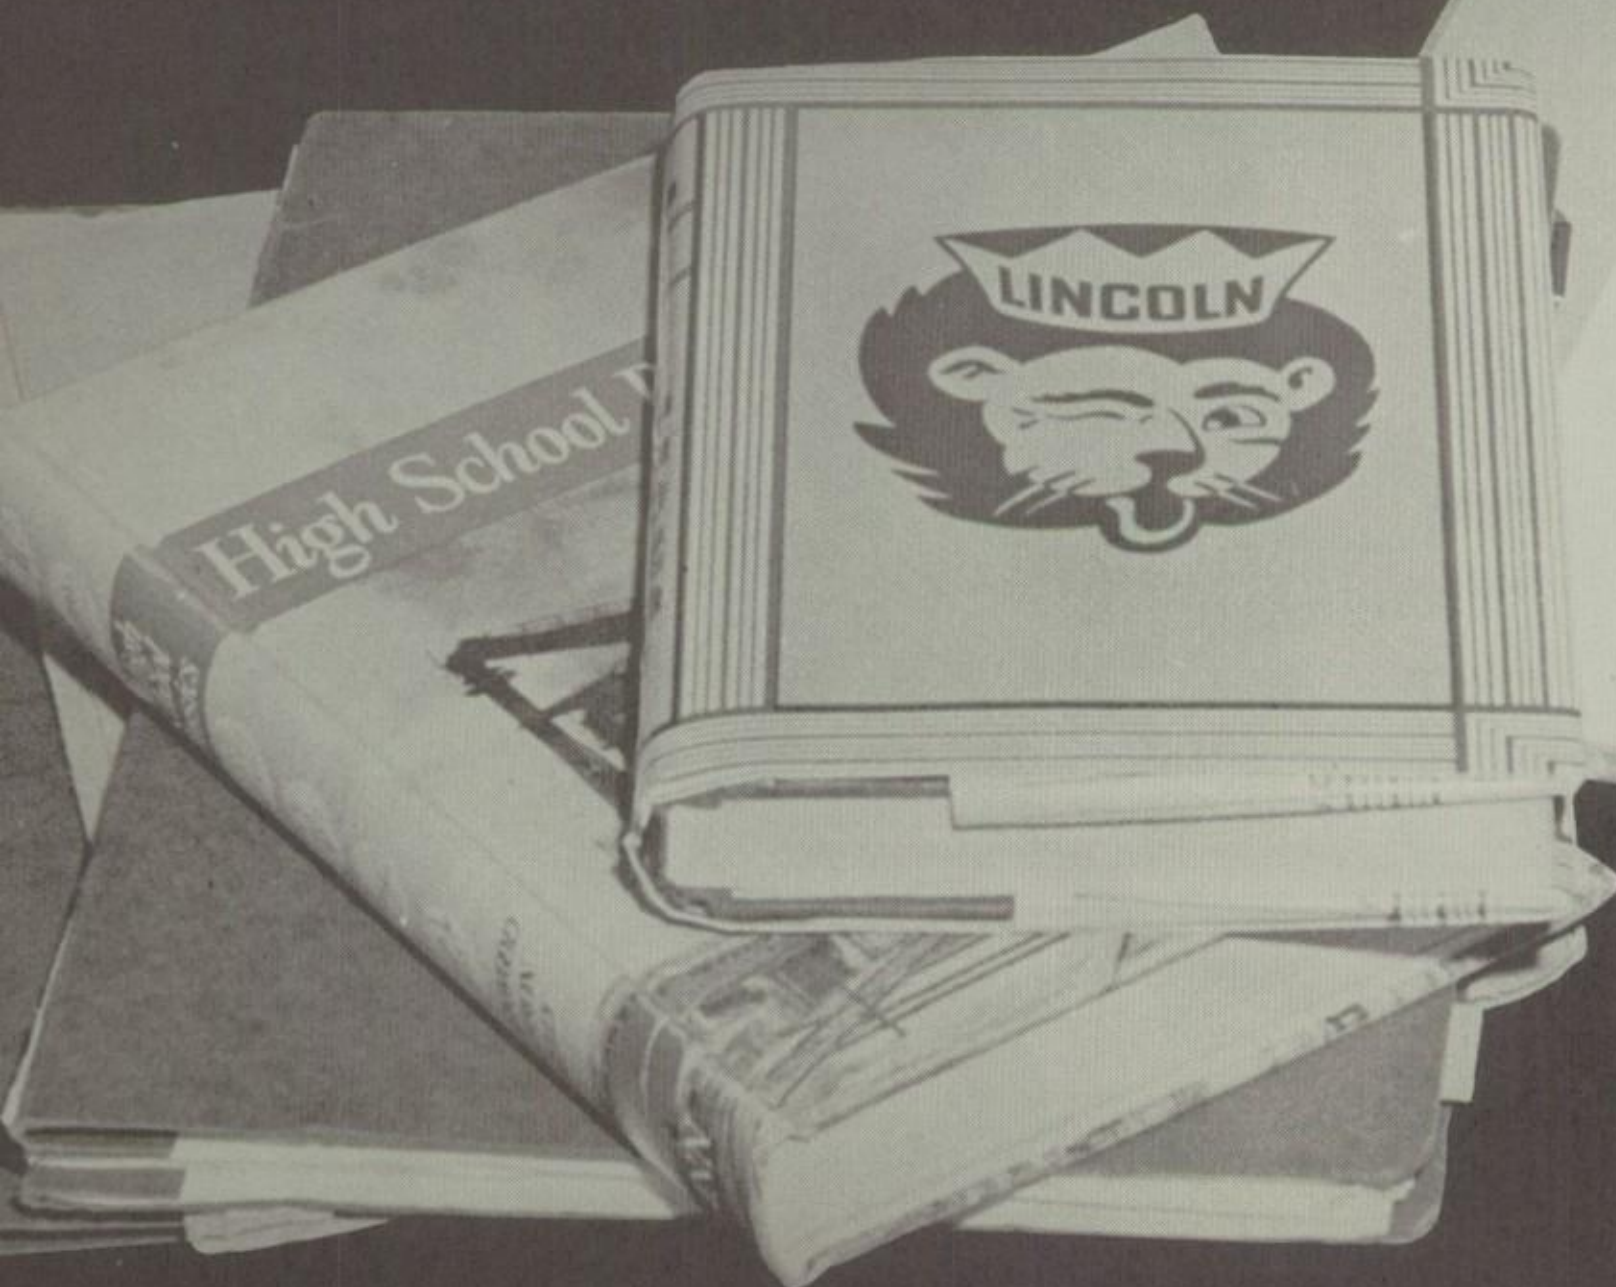

Lincoln's A. F. S. representative Jerry Estruth explained the work A. F. S. has done and of his recent trip to Germany.

CLASSES

"In order to have peace, one must have understanding; in order to have understanding, one must have knowledge." It is through our different classes that we obtain knowledge. Knowledge not only of languages, sciences, arts, but also of ourselves. In learning about ourselves we can come to understand the peoples of the world a little better. Thus as we continue to gain knowledge we come closer to understanding and to peace.

ENGLISH

The English department at Lincoln offers the students a complete background in basic grammar and in great literature. Only sophomore and junior English are required for graduation.

Here is Miss Cabal's sophomore English class.

Here is one of Mrs. Duvall's junior English classes.

Mr. Bloom is one of the senior English teachers and also a novelist.

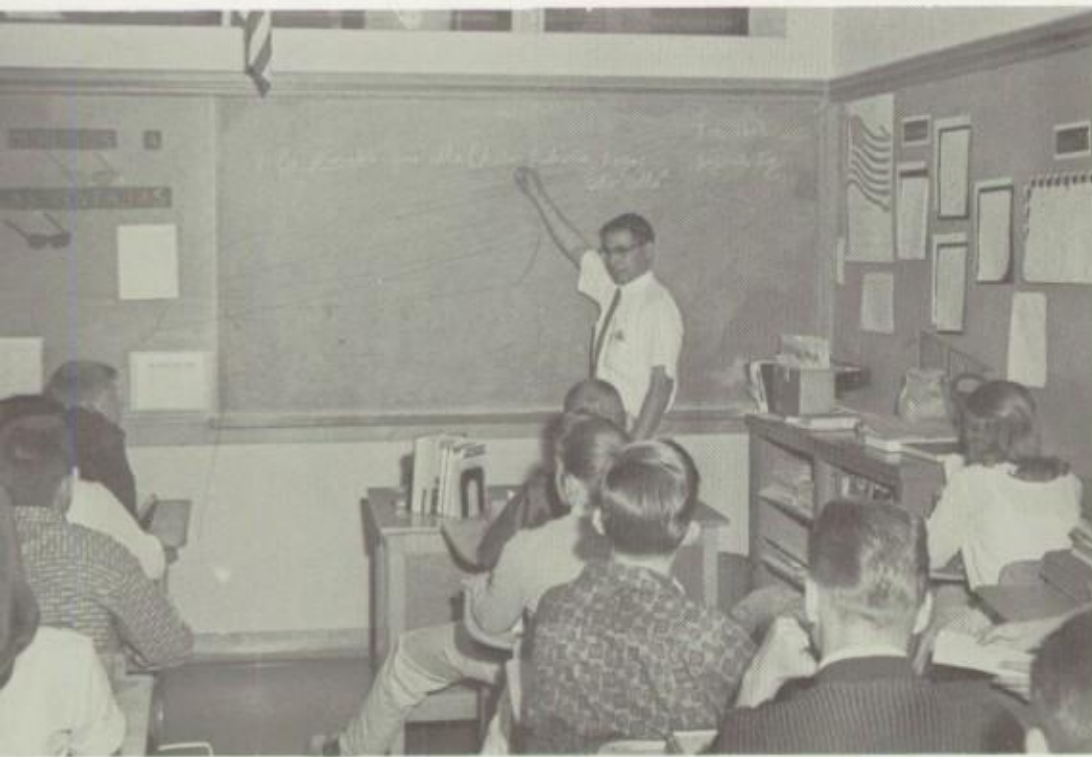

LANGUAGE

The Language department includes Spanish, Latin, and French. The students not only learn grammar but also some history of the countries.

Here is Mrs. Keplinger explaining how to conjugate a verb in one of her Latin classes.

Here is Mr. Martinez' Spanish class.

This is Miss Korber's French class.

MATH

Everyone, no matter what occupation he will be in, will have need of a little math. during his life. At Lincoln a Basic Math course is given for those who do not plan to attend college. Algebra, Geometry, and Trigonometry are the math courses for the college prep. students.

This is one of Mr. Smith's Algebra classes.

Here Mr. Cox is showing some artistic work using geometric patterns in one of his Geometry classes.

Here are some students doing some Physic problems with the help of Mr. Fisher.

SCIENCE

The Science department at Lincoln offers a varied and interesting program. This program includes Life Science, Biology, Chemistry, Physiology, and Physics.

Here Mr. Morris helps one of his students in his Life Science class.

Mr. Desch here is giving a lecture to his students in one of his Biology classes.

Also Miss Fauquet is giving a lecture to her Physiology class.

If you walk into Mr. Bolands Chem. Lab you usually will be greeted with an exotic aroma!

ART

The Arts department offers useful courses to the student who will own his own home in the future. This course includes interior decorating, wood craft, plastics, mosaics, and many more.

Here Miss Lannis instructs some of her students in angular perspective.

This is Mr. Oeschger's Lion Art class.

DRAMA--RADIO ARTS

The Radio Arts department offers fine training in speech, script writing, and producing. The students have the opportunity of recording documentaries for local stations and also for our own school use.

The Drama course at Lincoln gives to the student the basic fundamentals of stage production. It also offers the history of the stage, costuming, makeup, and lighting.

Here Mr. Basye is demonstrating how to apply theatrical make-up.

BUSINESS

The Business department at Lincoln offers a sound basis for future business careers. These courses range from typing to bookkeeping and are of equal help to the college prep. students.

Mr. Johnston instructs his students in a typing class.

Here is one of Mrs. Polito's shorthand classes .

MUSIC

Lincoln's Music department is divided into various areas. It offers such things as orchestra, choir, music theory, and band. This department entertains at school assemblies and also helps to build up school spirit with the help of the band at the rallies and games.

AGRICULTURE

The purpose of the Agriculture department is to train boys for professions relating to agriculture. Each student has the actual experience of taking care of an animal or carrying through a small farming enterprise. The boys participate in F. F. A. organization, parliamentary procedure contests, regional, state, and national conventions, project competition, and public speaking contests.

Here at the Ag. farm Mr. Ralston shows some of the Future Farmer students some techniques in irrigating.

SHOP

Here is Mr. Wellington's auto shop class.

Mr. Chiechi demonstrates some techniques in Wood Shop.

HOME ECONOMICS

The Home Ec. course at Lincoln help prepare girls for future housewives. The course includes cooking and sewing. For the seniors there is a special course that helps them prepare for marriage.

Here is one of Mrs. Hansen's sewing classes.

This is Mrs. Lang's cooking class.

SP

ACTIVITIES

The incoming sophomore class, one of the largest ever to enter Lincoln, attended orientation exercises on Thursday, September 10th. The teachers, officers, and spirit leaders were on hand to welcome them. They had a chance to get acquainted with their reg teachers and then toured our great school.

Our social season got into full swing at our first dance of the year, our annual reg dance. This dance is for the purpose of getting acquainted and proved to be a big success.

Our gym was transformed into a Roman Holiday the night of the dance. The entertainment for the night was "Swinging" because it was provided by Pete Canales and his group.

Well! Finally the girls caught up with the boys. But, I'm sure the boys didn't mind too much, since this Sadie Hawkins dance was a real terrific dance. The old standards, Marryin' Sam, and Kissin' Rock, were the attraction. After what the girls went through on Twirp Day, the boys deserved a lot worse than they got!

HEY DAY

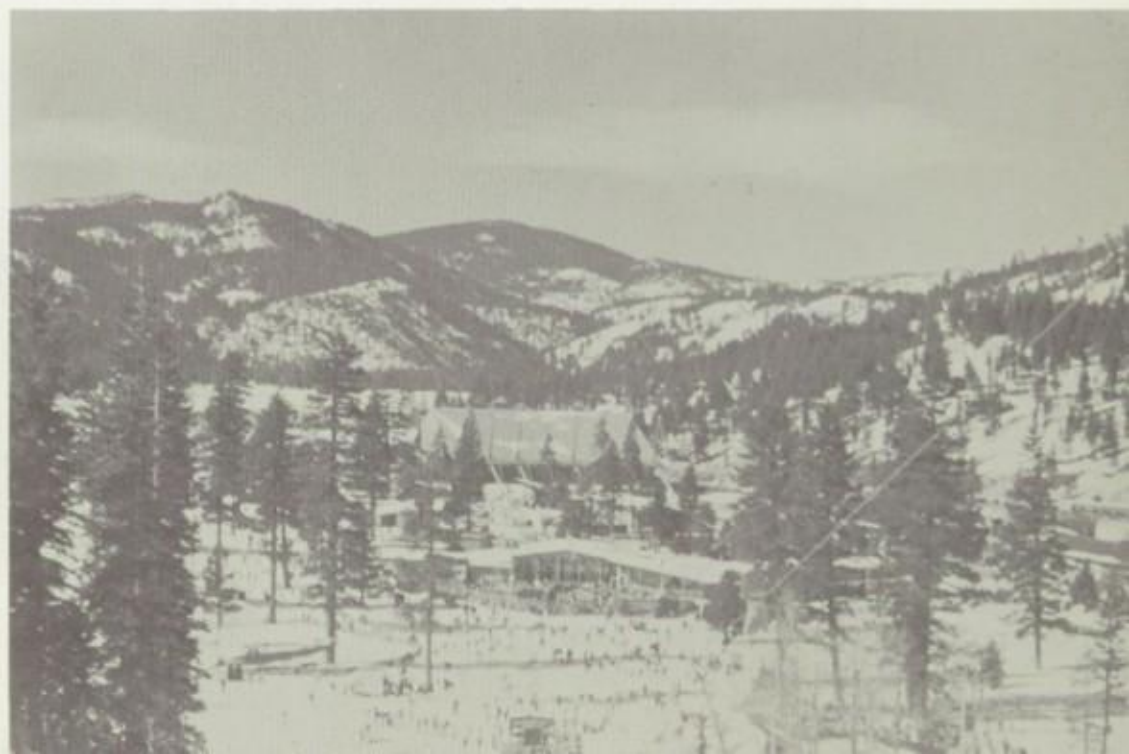

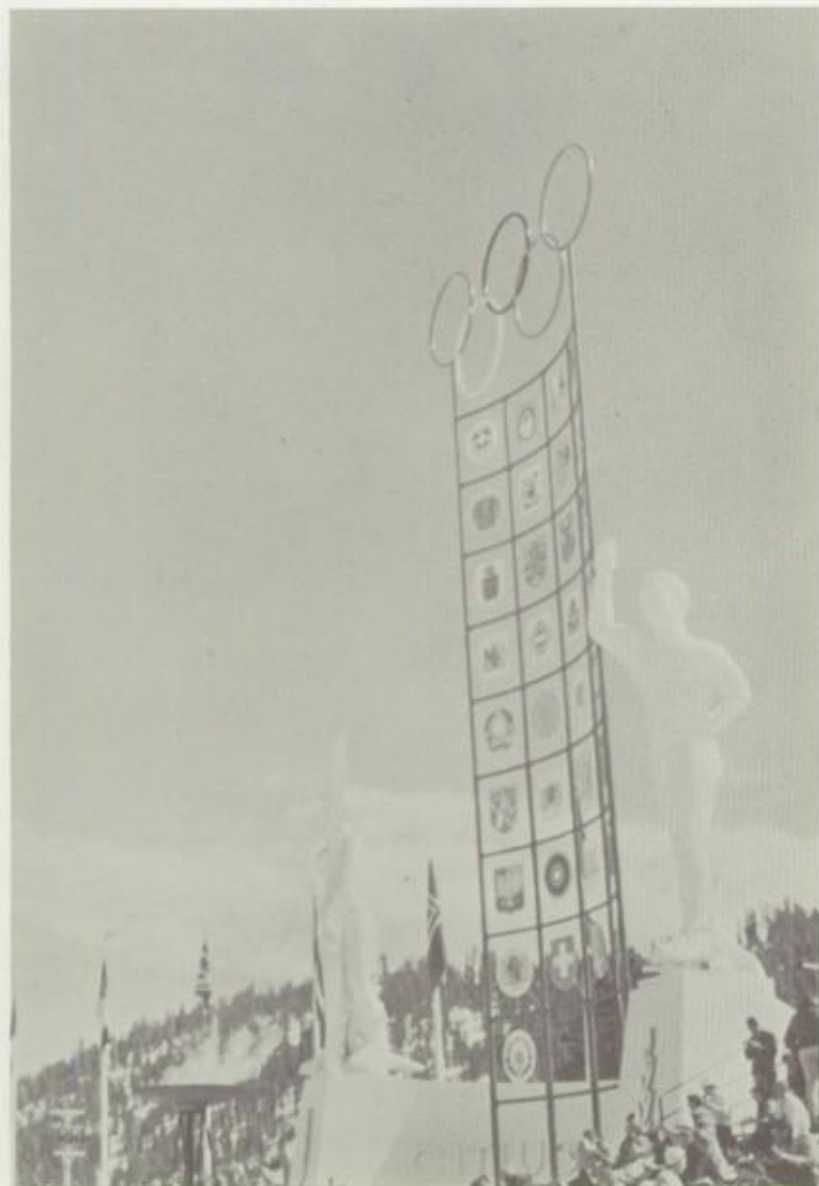

NEAT—that was April 29. Hey Day, under the capable leadership of Camilla Sheldon and Betsy Carr, was a day of crazy costumes, games, and food galore!

CHORALE ENSEMBLE GOES TO OLYMPICS!

Every Lincoln student can be extremely proud of their Chorale Ensemble, for it had the honor of singing at the Eighth Winter Olympic Games. Willow Glen and Lincoln were the only schools from this area to have the privilege of attending and taking part in the magnificent opening ceremonies at Squaw Valley. This gathering of athletes from all parts of the world to compete in winter sports is truly a step toward PEACE! . . . and Lincoln was a part of that step.

EXCHANGE RALLY

Beat San Jose! The whole gym rocked with this sound at our exchange rally with San Jose before the Big Bone Game. The same afternoon our spirit leaders went over to San Jose where they had a rally, also.

As usual, our Big Bone Ball was held prior to the Big Bone Game. San Jose High School was host to Lincoln this year, as it is every other year, but Lincoln provided the bids and band. This was a time when the Bulldogs and Lions could meet peacefully before the fiery clash at Spartan Stadium on Thanksgiving Day.

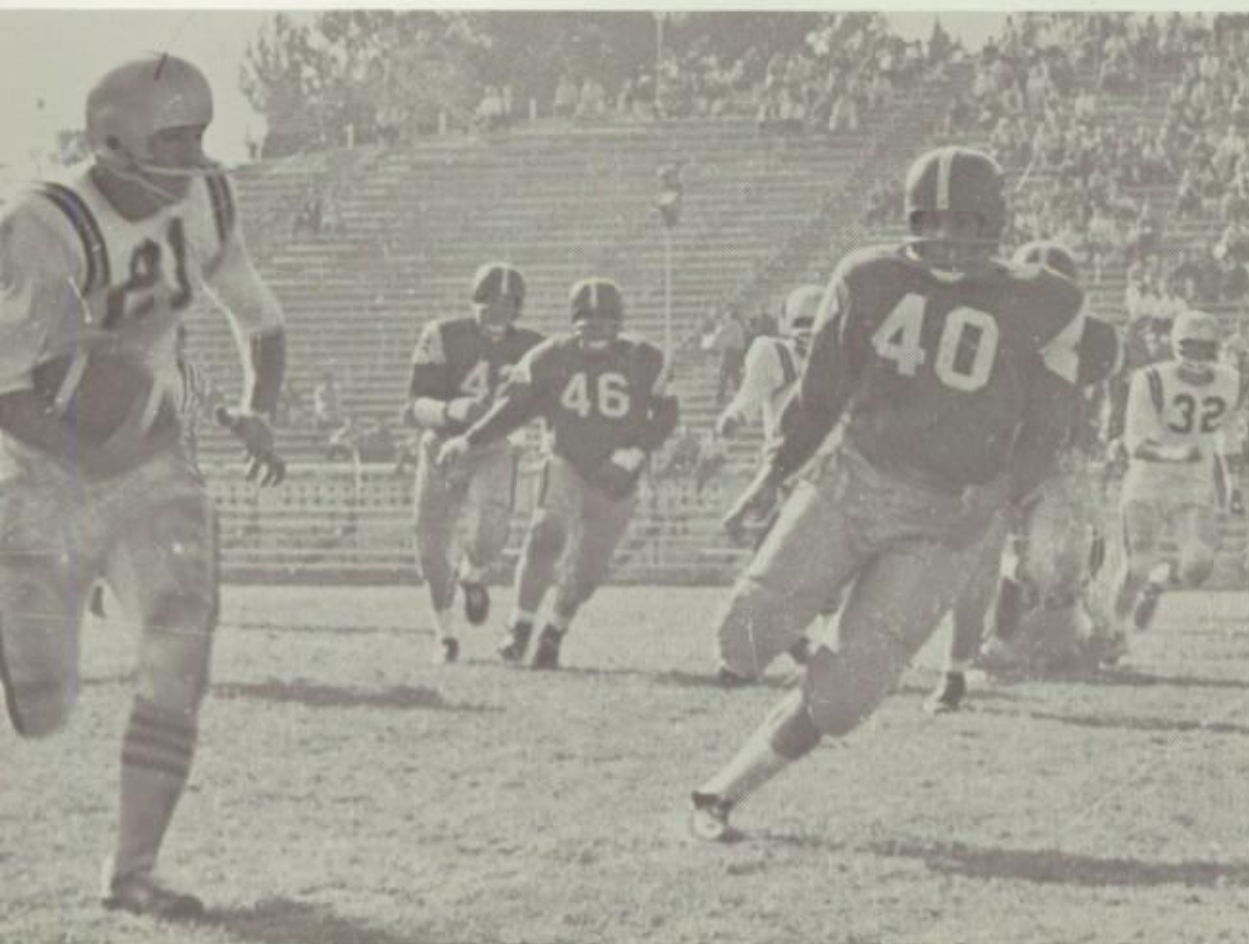

The queen from San Jose High this year was Joyce Smith, while Kathy Papakonstantinou reigned over Lincoln.

The duties of the two queens were to reign over the Big Bone Ball and the Big Bone Game.

BIG BONE BALL

ce again the Lions felt the sting
defeat as San Jose succeeded
keeping the Bone at our annual
me. The mighty Lions played a
rd game up to the last second
l showed a tremendous team
ort.

The spirit was absolutely tremendous at the game with the pom-pon girls, cheerleaders, and especially, our mascot, Leo!! As always, Lincoln's card tricks were outstanding. They were led by Diane Jelcick and Ann Hadley, chairman of the spirit committee.

BIG BONE GAME

The honor of being captain for this big game was bestowed upon Rick Arigoni, Pat Cavataio, and Mario Moran—all seniors!

L-I-O-N-S- Lions, Lions, Lincoln High Lions! To any Lincoln student this is a familiar sound which can be heard echoing through the gym during our rallies. The spirit was at its peak this year, as everyone came out to support the teams during football, basketball, wrestling, track, and baseball.

This years assemblies, as always, were very entertaining and attended by many Lions. Many exceptional assemblies were put on during this year - star show put on by a group of entertainers from Brigham Young University highlighted the year's assemblies. We were also lucky to have the Marine Band come and play for us which made for another enjoyable assembly.

The United States Marine Band was featured at one of our assemblies. The Girl's Glee Club performed at the girl's Christmas Show. A Welfare Assembly climaxed this year's Welfare Drive.

CHRISTMAS

Right in the Christmas spirit, the theme for this years Christmas Dance was "Frosted Fantasy". As usual, many Lincoln students attended and took part in this annual dance. Even Santa made a surprise apperance at this dance. Pictured above are Karen Tetz and John Richter, telling Santa what they want for Christmas.

Preceding the dance was our Christmas Assembly. The program included Santa and his reindeer making their way over the rooftops in a "beatnik" version of "The Night Before Christmas", the Chorl Ensemble singing Christmas songs, all school singing of well known Christmas Carols, and many more entertaining things.

FORUM CLUB

SPIRIT!

Regardless of the fact that spirit is generally at a low towards the end of the year, the Spring Spirit Leaders publicized all games and rallies to do an outstanding job. Along with the great spirit displayed by our cheerleaders and pom-pom girls, was the spirit of our pep band. Without this group, the LIONS would certainly be at a loss. We should give credit to both our spirit leaders and our pep band for tremendous jobs well done! School spirit is, for sure, an important aspect of peace!

APRIL FROLIC

April Frolic with music by the Hi-Liters was held Friday, April 1st, and sponsored by the Future Homemakers Club. The Hi-Liters' special presentation of "White Silver Sands" was of such a nature that no one could forget it all evening . . . terrific! (April Fool). As a stag or drag dance, preceded by a boys cake bake, this dance was great! The winners of the cake bake were Steve Lambrecht and Pete De Mare.

The Sophomores this year had both a picnic and a dance. The dance was held May 13th and open to Juniors and Seniors. Everyone thoroughly enjoyed the picnic, held on the school grounds.

SOPHOMORE PICNIC

BALI HA'I

This years Junior Prom was held March 25th in our cafetorium. The theme was Bali Ha'i and music was provided by the Hi-Liters. The theme was carried out in the fabulous decorations under the supervision of Rae Ann Engdahl and Josie Romano. It will long be heard that the Junior Prom was "best ever".

The Junior Picnic was terrific—of course! The great picnic, held on the school grounds, was attended by most of the Class of '61.

SPORTS

Sports play an important part in world peace by bringing together representatives in athletic competition. In these contests participants compete on an equal basis, regardless of race, creed, religion, or culture. The common interest of athletic competition releases the stress between nations and promotes a feeling of good sportsmanship and fellowship. Likewise the students participating in sports here at Lincoln are developing these good qualities, and foremost in their minds is the spirit of fair competition. Thus sports plays a great roll in strengthening the foundations of world peace.

The Lincoln Varsity Football team finished a thrilling and successful season with a record of six wins and four losses. The Lions gained a tie for third place with four wins and three losses in league competition, sharing third place with two other schools. The spirit and desire of the team was tremendous, which provided much excitement and many close decisions throughout the season.

Tackle Rich Arigoni, halfback Willie Arballo, and LB Fred Azcarate, represented Lincoln on the All-League team, with many others worthy of mention for their wonderful playing throughout the season.

End Chuck Kappen (12) grabs pass for 20 yards and eludes Palo Alto defender to score.

Quarterback Rick Linneweh (20) gains 8 yards thru middle of James Logan line, led by center Larry Edwards (36). Guard Gil Rocha (on ground) and tackle Lou Garcia (22) block on left side.

Halfback Rich Piazza (11) gains 5 yards around end versus Capuchino as All League tackle Rich Arigoni (32) Blocks for him. The Lions dropped this season opener 12-14.

The 1959 Lincoln "B's" finished the season with a record of 4 wins and 3 losses. After a poor showing in the opening game against the champion Willow Glen "B's" the "Little Lions" jelled into a strong ball club. All other losses during the season were by a margin of 6 points or less.

The offensive team, under the direction of quarterback Danny Prez, played excellent ball. Using a flanker "T" offense they scored 82 points for the season. The outstanding feature of this year's team was a solid defensive unit, lead by middle linebacker Chuck Burge, which held the running offense of the other schools well in check.

A record of 3 wins, 2 losses, and 1 tie put the Junior Varsity team in third place in the league. With the exception of Willow Glen, Lincoln had the best rushing and passing yard average in every game. The outstanding game of the season was with the big rival San Jose in which they tied 6-6 with Lincoln knocking on the goal line at the end of the game.

WATER POLO

The Lincoln Sea Lions climaxed their finest varsity season in Lincoln history by gaining a tie for third place. Coach Mac Martinez praised the team for its efforts throughout the season saying, "This was a tremendous year. I'm proud of the boys."

Captain Steve Lambrecht highlighted his career by not only earning a spot on the All League team but by also being voted "Back-of-the-Year" by the league coaches.

The team was surprisingly good despite their lack of depth and experience. The champions Lick and Washington held the Lions in deep respect. Each game was carried right down to the wire and only once did more than two points separate the Sea Lions from the victors.

Next year's varsity will not only bring back varsity stalwarts led by Chuck Taylor, Dave Christian, Nelson Binger and Stu Brinck but it will also be bolstered by a power-packed troop of promising sophomores which include All League Steve Frantz and Second string All League representatives, Mike Field and Jack Burleson.

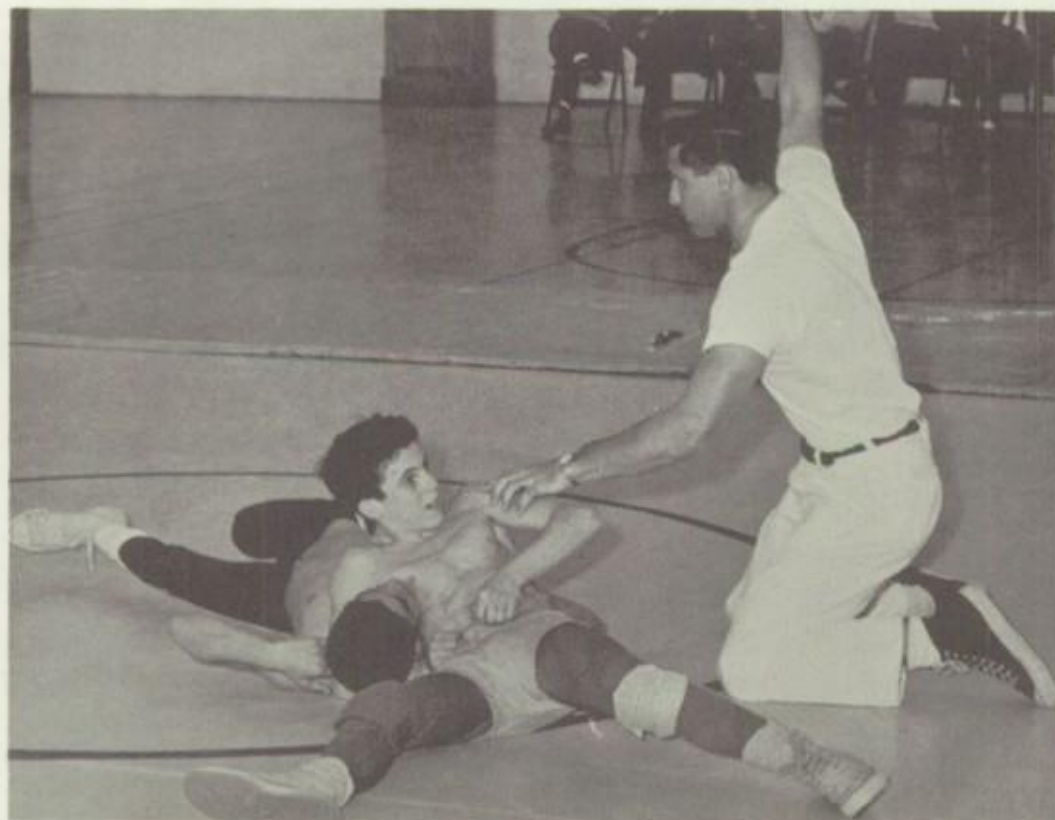

WRESTLING

This years wrestling team compiled the best record of any team in the brief history of this sport at A.L.H.S. The team entered many tournaments receiving second place in the ESCVAL league finals. Steve Carranza and Bob Torrance carried away firsts, Larry Edwards a second, and Russ Filice a third in the tournament. With only two exceptions the entire team will be back next year.

Steve Carranza placed fourth in the Northern California State Finals, which included high schools from Bakersfield to the Oregon border.

VARSITY BASKETBALL

This year the Varsity Basketball team had its ups and downs. They went to the Lick Tournament finals by beating Santa Clara in the first game and San Jose in the second. A basket in the last seconds of the game by Fremont left Lincoln out of the finals by one point. The Lions finished with a 7 win and 7 loss record, and an overall record of 15-8.

Pat Cavataio who led the league in scoring by averaging over 19 points a game and Mario Moran led the team with Armando Aguirre, Bob Hilts, and Chuck Kappen coming in close behind. Jim Seeger, Jim Sisto, Rick Linneweh, and Fred Hosley are Juniors who will be the nucleus of next year's Varsity team.

Mario Moran drives through two San Jose players for an easy layup and 2 points.

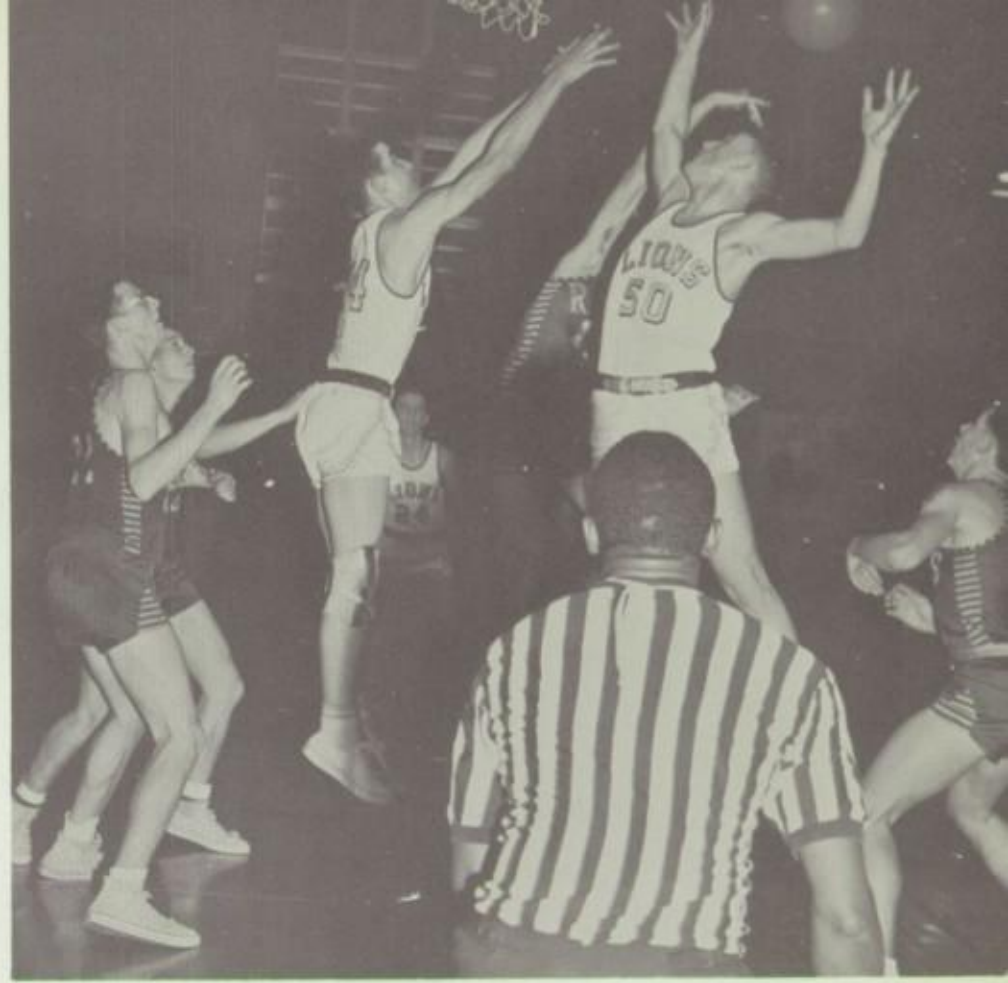

Pat Cavataio rebounds over Terry Maruyama, San Jose player, at the Lick Tournament.

JV'S

A loose ball finds Fred Hosley and Bob Hilts (50) fighting for the rebound against Willow Glen.

Here Pat Cavataio is being congratulated by Rick Linneweh for the overtime victory. Lincoln triumphed over San Jose in the last few minutes of the exciting game. Pat was voted the outstanding player of the Lick Tournament.

Bob Hilts (13) goes up for 2 points after passing unidentified Washington player.

30'S BASKETBALL

The thirties basketball team for 1959-60 was the first in Lincoln's history to take the League Basketball Championship. During the season they amassed an impressive record of thirteen wins and only one loss, that to San Jose High. Winning the game with the Bulldogs then was especially exciting for two reasons. It broke the tie for first place, and it was the first game which a Lion 30's basketball team has won for two years.

Congratulations are extended to each member of the Championship team and to their coach, Mr. Jack Richards for their well deserved triumph.

OPEN LETTER TO SENIORS

Dear Seniors:

Congratulations to you on your completion of three years at Abraham Lincoln High School.

It is inspiring to me, as Principal of Lincoln, and to every faculty member, to realize that commencement exercises send you on to college or out into the world to take a job.

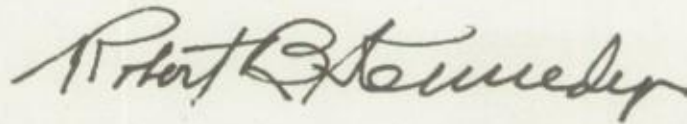

Your high school experience will be one of the most wonderful experiences you will ever have for you have met and worked with wonderful teachers; made many lasting friends and have seen the objectives for your life's work develop. We are sure that Lincoln High School has had a great influence on you whether or not you realize it at this time. We sincerely hope that you will be better men and women and better in whatever job you select because of your experience here.

Your theme this year is "Peace". Lincoln students, in this area, have a big head start on the students of most high schools for this is the high school that has sponsored "Do Right". This is the heart of any "Peace" theme, and you have been practicing it here at Lincoln for three years.

There are those of you, who in the face of all the clamor for more Mathematics and more Science, have felt that something can be said for the student who feels that "Peace" can only be secured in the area of the field of Social Sciences, through better knowledge of foreign peoples and foreign countries, and through better understanding of the way in which we live together throughout the world, and who recognize how interdependent we are on each other. Yes, there is much to be said for the student who believes that permanent "Peace" can be secured through a studious approach to the Social Studies.

Lincoln High School, especially its Seniors, are to be congratulated on promoting and fostering the American Field Service program. The fine young people we have had at Lincoln from Norway, Luxembourg, Spain and Italy cannot help but have a better feeling towards Americans and we a better feeling towards these Europeans through our mutual associations.

Once again, congratulations to all of you who are graduating from Abraham Lincoln High School.

Robert B. Kennedy
Principal

SENIOR VOCATIONAL CONFERENCES

Vocational conferences are a part of the term paper every senior must make before graduation. Each year the seniors spend several days attending these conferences in order to learn something about various occupations in which they are interested. It is important that the seniors choose their occupations wisely, for in the near future they will be among the adult leaders of our country. They will be the ones trying to promote peace.

The speakers told the students of the demand, requirements, salaries, disadvantages, and other aspects of their occupations. They did an excellent job in delivering their lectures, and the conferences proved to be very interesting.

Shown discussing mechanical engineering is Mr. Garcia, a senior draftsman from Food Machinery.

The speaker for the vocational conference on agriculture was Mr. Seymon, a farm advisor with the Agricultural Extension Service.

VOCATIONAL COMMITTEE CHAIRMEN:

PAUL QUINN

JEANNETTE DI CUICCIO

JANET PIKE

This year our Vocational Conferences were very successful, due to the fine planning of Jeanette Di Ciuccio, Janet Pike, and Paul Quinn. Many more people assisted with the meetings than these three, including students and faculty members. This is one of the most worthwhile activities at Abraham Lincoln High School, because it calls for cooperation among faculty, student and community leaders.

Margaret W. Clark
Advisor

Dr. Cochran spoke to the students on the field of dentistry.

Mr. Hall was the speaker at the vocational conferences on art. He is shown here explaining to the interested students about the many opportunities in the field of art.

SENIOR PLAY

SENIOR PICNIC

The Seniors really had a wonderful time at the Senior Picnic held on June 7, 1960. The Picnic spot was Balardo Park in Hollister where everyone was able to relax and enjoy himself. There were many recreational activities, and delicious refreshments were served too. The Picnic was one of the terrific climaxes of the Seniors' year.

SENIOR BALL

Atlantis, this year's Senior Ball, was held on June 4. The Civic Auditorium was beautifully decorated as the city beneath the sea. The music rippled dreamily through the undersea gardens as the Seniors danced at their fabulous Senior Ball.
